

Getting Started with Quicken® 2007 and above for Windows®

Refer to this guide for instructions about using Quicken's online account services to save time and automatically keep your records up to date.

Before you can download your transactions with Quicken, you need Internet access, your customer ID, and your password. To complete Quicken account setup, you need to log into the **Simmons First National** Web site:

www.simmonsfirst.com.

This guide includes the following sections:

- [Downloading the Latest Quicken Update](#)—Describes the steps to download free product updates as they become available for your version of Quicken.
- [Creating a New Quicken Account](#)—Explains how to use Express Setup to create a new Quicken account and download transactions.
- [Keeping your Quicken Accounts up to Date](#)—Explains how to download transactions on an ongoing basis.
- [Automating your Web Connect Downloads \(optional\)](#)—Explains how to activate the One Step Update feature.

For step-by-step help with an online task, choose **Help** menu → **Quicken Help**. In the Type in the word(s) to search for: prompt, enter **Download Transactions**.

DOWNLOADING THE LATEST QUICKEN UPDATE

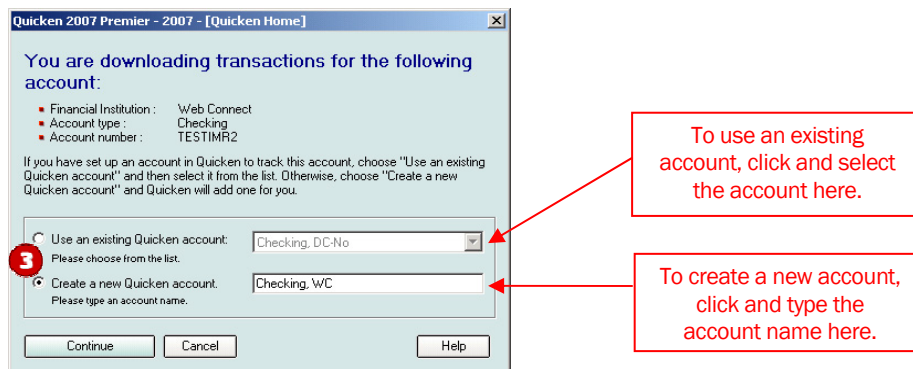

1. Click the **Update** icon on the Quicken toolbar.
2. Uncheck all boxes, and click **Update Now** in the One Step Update Settings dialog.
3. If an update is available, then Quicken provides a description of the update and brief instructions for downloading the update.
4. When the update completes, restart Quicken.

CREATING A NEW QUICKEN ACCOUNT

1. Open a Web browser and log into your financial institution's Web site: www.simmonsfirst.com. Follow the instructions provided to download your account information into Quicken.
2. On the Account Summary Page choose **Download Transactions** from the drop-down list associated with the account you are working with. On the Download Transaction screen you will make three selections from the drop-down lists: **(1) Download Transactions for Account: (2) Select Download Range: (3) Select Download Format. -select Intuit® Quicken(QFX).**
3. When you click **Download to Quicken**, your browser may prompt you to open or save files. If this prompt appears, click **Open** and follow the on-screen instructions.
4. To set up a new account in Quicken, click **Create a new Quicken account**, and type a name for this account. Click **Continue**.

To select an account that you have been using to manually enter transactions, click **Use an existing Quicken account**, and then select the existing account from the drop-down list. Click **Continue**.

5. If the Rename Your Payees window appears, take the desired action:
 - To accept the default name change of one or more payees, check the box next to each payee name.
 - To change the payee name to a name other than the default, check the box next to the payee name, click **Edit**, and follow the on-screen instructions.
 - To leave a payee name unchanged, do not check the box next to it.

To apply your payee name changes, click **Apply Settings**.

Or, to exit this window without making changes, click **Cancel**.

6. Quicken confirms that your account setup and download were successful in the One Step Update Summary. Click **Close**.

KEEPING YOUR QUICKEN ACCOUNTS UP TO DATE

The Online Center provides an easy way to download transactions into the accounts that you have activated for online account services.

To open the Online Center, choose **Online** menu → **Online Center**.

The screenshot shows the Quicken Online Center window. At the top, there are menu options: Delete, Payees, Repeating, Contact Info, Password Vault, Renaming Rules, Print, and Options. Below the menu is a 'Financial Institution:' dropdown menu currently set to 'Web Connect'. To the right of this dropdown is an 'Update/Send...' button. Below the dropdown is a 'Transactions' tab, which is currently selected. Below the tab, there is a message: 'Cleared transactions and online balances downloaded on 5/22/2006.' To the right of this message is a 'Compare to Register...' button. Below the message is a table with columns: Account, Transactions, and Online Balance. The table shows one row: 'Checking, WC' with '0' transactions and an 'Online Balance' of '95,981.78'. Below the table is a header for a transaction list with columns: Date, Num, Payee, Payment, and Deposit.

Three red callout boxes with arrows point to specific elements:

- Top callout: "Select a financial institution to manage and update accounts." (points to the Financial Institution dropdown)
- Right callout: "Click here to update your accounts with the selected financial institution's Web site." (points to the Update/Send... button)
- Bottom-left callout: "Click the Transactions tab to view your downloaded transactions." (points to the Transactions tab)

AUTOMATING YOUR WEB CONNECT DOWNLOADS (OPTIONAL)

Express Web Connect provides the option of activating the One Step Update feature, which automates the downloading of Web Connect data. To activate the One Step Update feature, take either of these actions:

- If you see the **Activate One Step Update** prompt during the Web Connect download process, click **Yes**, and then click **Activate**.
- From Quicken, choose **Online** menu → **One Step Update**. In the dialog that displays, choose **Activate One Step Update** link next to **Simmons First Bank**.
- Quicken confirms that your account setup and download were successful in the **One Step Update Summary**. Click **Close**.

Once activated, you can choose **Online** menu → **One Step Update** to perform downloads.

CONGRATULATIONS, YOU ARE SET UP AND READY TO USE QUICKEN!
